

Panasonic Swing

The Panasonic Swing ranking is based on an aggregate point ranking earned by players at selected tournaments in Asia. The top-three finishers in the Panasonic Swing final ranking will earn US\$70,000, US\$50,000 and US\$30,000 respectively via a bonus pool reward scheme. The second edition of the Panasonic Swing kicked off at the 2018 Thailand Open. It will feature tournaments in India, Malaysia and Indonesia before concluding at the Panasonic Open Japan in 2019.
