The image shows a symmetrical view of a modern architectural structure. At the top, there is a large, ornate ceiling with a central skylight and decorative panels. Below this, a series of horizontal beams and walkways are supported by several thick, cylindrical concrete columns. In the center, a narrow water channel flows through the structure, reflecting the surrounding architecture. The background shows a multi-story building with a grid of windows. A white rectangular box is superimposed over the center of the image, containing the word "Problems" in a black, serif font.
